It sets the New American Standard Bible with its 'literal correspondence' approach side by side with the New International Version and its 'dynamic equivalency' approach, allowing you to easily compare the two translations. It directly relates Greek words in the Nestle's Greek text to their corresponding translations in the NASB and NIV texts. And it allows easier reading of the Greek New Testament. These advantages offer you a better understanding of the Bible. This proven study tool uses Alfred Marshall's interlinear English text -- the standard, widely used literal translation of the Nestle's Greek text, 21st edition. A generation of students, pastors, and scholars has relied on Marshall's renowned contribution to biblical study. The Interlinear NASB - NIV Parallel New Testament brings it to you in a parallel format that will bring new depth, perspective, and insight to your Bible studies.

[Download pdf file 366 Meditations, Bible Verses, and Prayers to Help You Know God More Deeply](#) "As part of his passion to bring glory to God, Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost. He believes strongly that God-honoring, Christ-exalting, and Spirit-empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements, and his reflections and sermons provide valuable "fodder" for reflection. Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world.

The book includes two hundred prayers that have been prayed out loud as part of the life of one evangelical church by one layman in worship services, prayer meetings, etc. over a period of twenty years. [Download pdf file Submerged in the Prophetic](#) "Silence = Death is more than a story about how I became a "loud" Christian. It's a compilation of personal testimonies, untold journal entries, dangerous prayers, and God-given revelations. The phrase, "silence = death" was something the Holy Spirit told me while taking a train in the summer of 2019. During that train ride, God told me to share the gospel with someone, but out of nervousness, I refused. After the person walked away, God immediately convicted me of my disobedience. I knew I was never going to see that person again, and then I clearly heard the Holy Spirit say, "silence = death." The longer I don't share the gospel right away, my silence will lead to someone else's spiritual death. That message was the inspiration for this book, and my prayer is that while you read this book, you too would learn how to be "loud" about your faith in Jesus Christ. That you would become so bold, willing to preach the gospel and make disciples at work, at school, at the grocery store, while waiting for public transport, and at church.

You have people today who are so concerned with being "politically correct" and "not offending anyone" that they see SIN all around them and say or do nothing. So others come to believe that the SIN is "acceptable," even "normal" behavior. This book will attempt to show the average Christian what God really expects... and what he really rejects, when dealing with many of today's most confusing questions. Each question will be covered in one chapter, so the answers will be quick and easy to find, allowing Bible scriptures to guide the reader to their answers.

In Seek, Find, Pursue, we'll examine the lives of people whose stories are recorded in the book of Acts. Just like us, these people struggled to know and live for God's purpose, and their stories will help us discover how we can: • Seek God's calling • Find what He wants us to do • Pursue His calling for us We'll gain a clearer understanding of God's will for our lives and His purpose for each of us individually. And by knowing and following God's calling, we'll experience the confidence, peace, and fulfillment that He desires for every one of us.

[Download pdf file Twelve Lessons from Jonathan Edwards](#) "Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called: "the wealth that comes from the full assurance of understanding." In its pages readers will find the central truths, logic, and promise of Christianity necessary for a confident, stable, and fruitful walk with God. No one knew better than John Wesley that it is one thing to know Scripture, quite another to understand it. Even as a missionary to Georgia, well-schooled in the faith by a clergyman father, a devout mother, and his studies at Oxford, Wesley remained unaware of the full meaning of Scripture. It was understanding that unlocked the power of God's work in his life. Given the multitude of negative influences both from secular culture and within the Christian community, there has never been a greater need to avoid the false teachings of philosophy, popular but mistaken beliefs, and poor assumptions. The information and insights presented here will enable twenty-first-century Christians to avoid being "carried about by every wind of doctrine" by understanding the treasure they have in God, Jesus Christ, and the Scriptures.

The new research behind this book reveals Second Isaiah as priestly temple literature, expert at the Holy and its coming down on earth. Second Isaiah highlights priestly themes and quotes the temple texts to help readers approach that which is utterly mysterious.
